"We must walk consciously only part way toward our goals,
and then leap in the dark to our success." --Henry David Thoreau

~~~~~

***What could your life be like tomorrow if you started taking your Leap of Faith today!***

Whether you're following an inner calling or being pushed into making big life changes by unexpected events and challenges, get support, direction and guidance to not just survive your leap *but thrive!*

In this self-paced ecourse, we share our personal secrets on **the art and science of Taking Leaps of Faith!** As your "jump masters," we'll be with you each step of the way as you explore the **6 Stages of Leaps of Faith** ~ from *Expecting* to *Experiencing* to *Expanding* ~ and build the courage to take YOUR leap!

We've designed this 8-lesson ecourse to teach you fresh ways to consciously take Leaps of Faith in *any* area of your life. **But action is required!** By making external shifts as "practice jumps," you'll also shift internally while strengthening your courage-reserves, gaining clarity and increasing your confidence.

*If you're a coach, counselor, hypnotherapist or healing practitioner: our 6 Stages of Leaps of Faith provide a fresh framework and empowering tools to use with clients!*

This e-course is available exclusively on www.DailyOM.com
~ Begin taking it any time and move through it at your own pace! ~

After you register, you'll get weekly emails for 8 weeks from DailyOM with links to your next lesson. Along with written materials and exhilarating "leap-work," each lesson includes audios with guided meditations to help you make internal shift &/or videos with energizing "exhilarations" to inspire bolder and bigger outer shifts. There's also an ongoing **Discussion Group online** where you can ask questions, get inspired by others' *Adventurous Events* and **share your Leaps** to encourage others to take theirs!
